

INTERVIEW QUESTIONS

Learning from the Light: PRE-DEATH EXPERIENCES,
PROPHECIES, AND ANGELIC MESSAGES OF HOPE
by Dr. John Lerma

- ❖ It seems that when people are close to dying they talk with angels and even with Jesus. Is this real? Can you tell us about it?
- ❖ What do people get out of their experiences? Can you tell us some stories? Are there any particular instances that really stand out?
- ❖ Can ordinary people listening to this program expect to have these experiences?
- ❖ Does it only happen with Christians? What about Buddhists or Atheists?
- ❖ What is Hospice and who qualifies for it?
- ❖ What are pre-death experiences? What are near death experiences?
- ❖ What is the difference between hallucinations and visions of the dying?
- ❖ Discuss the anatomy of a typical pre-death experience or vision?
- ❖ Does religion play a role in what type of visions are seen?
- ❖ Is there a heaven according to your patients? What does it look like? How about hell?
- ❖ Describe the latest findings in your research that may explain the visions?
- ❖ What is the ego? What is the Higher-self?
- ❖ How do the ego and the Higher-self affect our life and dying experience?
- ❖ How do you feel about your work?
- ❖ What is your next book about?
- ❖ Do you have any advice to listeners on this subject?
