

THE MEN IN BLACK ARE BACK: THIS TIME, THEY'RE REAL . . .

San Francisco, CA (June 1, 2011) -- *Who are the "Men in Black"?* In the blockbuster Hollywood movie of the same name, they were fictional characters. In real life, they are fearsome individuals who attempt to silence the witnesses of UFO and other paranormal phenomena.

In his latest book, *The Real Men in Black: Evidence, Famous Cases, and True Stories of These Mysterious Men and Their Connection to the UFO Phenomena*, the popular, bestselling author Nick Redfern reveals the hidden world of these notorious government operatives.

He documents their origin and lays out classic cases, previously unknown reports and secret government files, while laying out the many theories that explain the mystery. Some of the hair-raising highlights of *The Real Men in Black*:

- The story of Albert Bender, the first man to claim an encounter with Men in Black
- The involvement of MIB in the Mothman saga in the town of Point Pleasant, WV
- Encounters with MIB at Loch Ness
- Exclusive interviews with leading researchers of the MIB phenomenon

Author, lecturer, and journalist **Nick Redfern** is world-famous for writing about unsolved mysteries, from Bigfoot, UFOs and lake monsters to alien encounters and government conspiracies. Among his many exploits he has investigated aliens in Mexico, vampires in Puerto Rico, werewolves in England and crashed UFOs.

A regular contributor to *UFO Magazine*, *Fate*, *Fortean Times* and *Paranormal Magazine*, Redfern is the author of:

- *The NASA Conspiracies*
- *Contactees: A History of Alien-human Interaction*
- *Memoirs of a Monster Hunter: A Five-Year Journey in Search of the Unknown*
- *Science Fiction Secrets: from Government Files and the Paranormal*
- *Celebrity Secrets: Official Government Files on the Rich and Famous*
- *There's Something in the Woods*

A popular and lively media guest, Nick Redfern has appeared on numerous TV shows, including:

- BBC's "Out of this World"
- History Channel's "Monster Quest and UFO Hunters"
- National Geographic Channel's "Paranatural"
- SyFy Channel's "Proof Positive"
